

Beverage Menus

Great food should be complemented by great wine, and our beverage packages offer a variety of outstanding options. Whether you're celebrating a wedding, a birthday or hosting a corporate sit down dinner, our beverage menu is designed to cater for your special needs. Our four beverage packages each offer something a little different, but typically feature a selection of three Australian wines, two beers, fresh orange juice, soft drinks and mineral water.

You can upgrade your package with selected spirits, cocktails and premium beers. We also offer a range of premium sparkling, red and white wines which can all be incorporated into your package
